3	ELECTRICITY & ELECTRONICS	Embedded SOPC , DSP Electronic & Logic Circuits Microprocessor Control , Sensor Application Electrical Machine
4	IT/COMMUNICATION	Ubiquitous Home Network USN , RFID , LAN , ADSL , Microwave, Micro strip Line, Analog/Digital/Optical/PLL/Multiplexed Communication CDMA , Antenna
5	SIMULATION SOFTWARE	Pneumatics & Hydraulics Programmable Logic Controller Electrical Sequence RF Communication Robotics
6	FLUID MECHANICS	Basic & Electro Pneumatic Basic & Electro Hydraulic Transparent Hydraulic
7	MECHATRONICS	Programmable Logic Controller PLC Applications Automated Sensor Electrical Sequence
8	AUTOMATION	FMS / CIM Block Modular Production System Robot Integration System Arm Robot, Refrigeration
9	PNEUMATICS	Pneumatics Trainer

10	HYDRAULIC	Hydraulics Trainer Components, Power supply
11	TEST & MEASUREMENT	Spectrum Analyzer , Signal Generator Digital LCR Meter , Oscilloscope Combinational Tester PC-based Measuring Instrument Frequency Counter , Power Supply
12	REFRIGERATION & AIR CONDITIONING SYSTEM	Refrigeration Trainer
13	CIVIL ENGINEERING	Compression and tensile test machines
14	OIL & GAS	Distillation , physical & chemical analysis , online analysis
15	CHROMATOGRAPHY	Gas chromatography , liquid chromatography

Bareeq Al-Lujain Laboratory Specialization of Medical, Engineering and industrial technologies

- ♦ Educational Engineering Technologies.
- ♦ Ventilation Technologies.
- ♦ Laboratory Technologies.
- ♦ Industrial Technologies.
- ♦ Medical Technologies.

Laboratory Specialization

- ♦ Ecology Lab.
- ♦ Petroleum Lab.
- ♦ Analytical Chemistry Lab.
- ♦ Biology Lab.
- ♦ Medicine Lab.
- ♦ Dentistry Lab.
- ♦ Veterinary Lab.
- ♦ Pharmacology Lab.
- ♦ Chemical Engineering Lab.
- ♦ Educational Engineering Lab.

BL SERVICES

- ◆ Installation
- ◆ Calibration
- ◆ Maintenance
- ◆ Professional training
- ◆ Industrial solutions planning & construction
- ◆ Industrial Consultant
- ◆ Special Industrial training license & Certificates from well-known European institute.

1- Installation

For a perfect installation and training of the user/s, **Bareeq Al-Lujain** offers a complete installation service carried out by long experienced & trained engineers. The unit or system will be installed at your site, the operation will be checked and the user/s receive a training in the operation of the unit and (when needed) software.
